

LOCAL NEWS.

MONDAY EVENING, APRIL 21.

For this section continued fair weather and slowly rising temperature Monday and Tuesday; northerly winds.

THE BISHOP'S RECEPTION IN ALEXANDRIA—Right Rev. Augustine Van de Vyver, Bishop of Richmond, arrived here on Saturday morning last, and yesterday, after the 7 o'clock mass at St. Mary's Church, conferred 142 persons—58 boys, 76 girls and 8 adults. Seven of the children were colored. The girls were dressed as usual in white, with white veils and wreaths of white flowers, and presented a beautiful appearance. The addresses of the Bishop before and after the confirmation ceremonies were appropriate and impressive. At 11 a. m. he preached a very practical sermon on marriage. Last night at 8 o'clock, the congregation having assembled in the new Lyceum hall, the Bishop and clergy were escorted from the pastoral residence by Messrs Richard L. Carney, Henry J. Nevitt, Richard M. Latham, Edward Hughes, John Donnelly, M. E. Harlow, Michael Cronan, Magnus Schuler, P. H. Sullivan and Wm. F. Carney, Jr., representing the different societies of the parish, and took seats upon the stage. An appropriate address of welcome was then delivered by Mr. Richard L. Carney, as chairman of the committee, followed by one from Mr. John T. Raftery, as president of the Young Men's Sodality Lyceum. The Bishop responded to both, congratulating the congregation upon its excellent condition and the evidence he saw of its strong faith, and complimenting the pastor upon his excellent work for its welfare. He was then introduced to each member of the audience and had a smile and a kind word for all. The music for the occasion was furnished by an orchestra under the direction of Professor Scherl, and a most agreeable evening was spent. Many of the ladies and gentlemen, after leaving the hall, inspected the gymnasium, which is now furnished with all the most improved apparatus, and affords healthy exercise and recreation for a hundred young men, many of whom but for it would probably be spending their evenings in pool rooms, and saloons. To-night a little drama is to be performed in the hall and to-morrow night a minstrel show will be given, both complimentary to the friends of the Lyceum, admission to which will be by ticket from its members.

GOODS FOR THE SEASON.—Mr. Isaac Eichberg in his advertisement in another column gives a partial list of the many goods to be found in the elaborate stock he has placed in his store to meet the demands of the spring and early summer trade. His assortment is complete and his prices low, facts which will be convinced of by giving him a call.

POSTPONED.—The case of E. Cook against Sheriff Gordon, which was set for trial before Justice Palmer of Fairfax county, was postponed till Wednesday. The case grew out of the Pendergast farm embroiglo, and Cook charges the sheriff with grand larceny for driving off some stock which the latter seized to satisfy a judgment.

ROBBERY.—A thief on Saturday night broke into the store of Mr. Brager, on lower K Street, and stole a suit of clothes therefrom. An entrance was gained through a second story window in the rear which was reached by piling up boxes in the yard during the temporary absence of the clerk who sleep in the store. The thief doffed his old and dilapidated suit which he left in the store, donned a new suit which he selected from the large stock, and decamped by the way he entered. In the pockets of his coat he left brass letters which formed the word "Bessie," supposed to belong to a boat.

PERSONAL.—Bishop Van de Vyver has gone to the Church of the Seven Dolors, at Fairfax Station, to confirm a class there to-day. He was accompanied by Rev. D. O'Kane, who attends that church. To-morrow he will go to St. James Church, West Falls Church, for the same purpose, attended by Rev. J. M. Giraud.

Mr. Wallace Jackson, formerly of this city, but now of Washington, and Miss Cordelia Facklin, of that city, were married in St. Dominic's (Catholic) Church this evening.

The streets were crowded most all day the population of the city being greatly increased by visitors from Washington, every boat and train bringing large numbers. The cemeteries and other suburban resorts were visited by large numbers of persons, while many extended their walk into the country. The churches all had large congregations.

MONETARY AND COMMERCIAL.

NEW YORK, April 21.—The stock market this morning continued the movement of Saturday, and the opening was very active and strong, followed by a further advance all over the list. First prices were generally from ½ to ¾ higher than Saturday's final figures, and with a large and well distributed business in the active stocks, prices moved up fractional amounts in the early dealings. There was some little concession toward the end of the hour, and in some cases prices went up a shade below the opening, but the strong tone remained, and at 11 o'clock the market was active at about the best prices reached, although the leading stocks were especially active this morning, and the business ran up to large figures.

Flour is very firm, and we note an improved demand at the recent advance; stocks in first hands are full and unusually well assorted. Wheat continues irregular, but futures show fractional gains; spot wheats are in sympathy, and sound, sweet samples bring outside figures; other sorts, however, cannot be so readily sold; sales range, as to condition, at from 70 to 80; no choice flinty longberry has been offered for some days past. Corn 41-43. Rye 43-45. Oats 23-32. Eggs, Butter, Potatoes and Chickens are wanted. Veal Calves are dull. Milled feed is higher.
